## Basic Security Awareness Training Programme

The National Civil Aviation Security Programme (NCASP) requires all Access Permit holders to complete the mandatory Basic Security Awareness Training Programme. From the 1<sup>st</sup> April 2010 this training must be successfully completed **prior** to issue or renewal of an Access Permit. Form ID-7 shall be used to notify the Access & Identification Centre (AIC) of this training. This form must be submitted to the AIC two working days in advance of an applicants Access Permit issue.
